8. Enter proposed number of full time employees \_\_\_\_\_ Proposed number of part-time employees \_\_\_\_\_

9. What is the estimated total investment in the premises to be licensed? \_\_\_\_\_

# NOTICE

[Authorized by MCL 436.1531(13), (14), (18)]

MCL 436.1531(13) requires any person signing this application for an on-premises resort or resort economic development license to verify that he or she attempted to purchase any of the on-premises licenses that are in escrow that do not have a pending transfer on file with the MLCC within the county in which the applicant for the on-premises resort or resort economic development license proposes to operate. These provisions **do not** apply to an applicant whose proposed licensed business will be located in a city of over 190,000 and less than 300,000 people.

**Do not** apply for an on premises resort or resort economic development license if there is an available quota license in the local governmental unit in which the proposed licensed business will be located.

- ☐ I verify that I have attempted to purchase all of the on premises escrowed licenses in this county that do not have pending transfers on file with the MLCC and:
  - ☐ I have included copies of letters from persons whose licenses are in escrow that do not want to sell their licenses.
  - ☐ I have included copies of letters from persons whose licenses are in escrow that I believe have priced their licenses too high. I have included at least one (1) of the following to support this position:
    - ☐ Documentation relative to the fair market value of on premises escrowed licenses in the area.
    - ☐ Documentation that reflects the size and scope of the proposed operation and demonstrates why the on premises escrowed license is priced too high for this project.
- ☐ There are no on-premises licenses in escrow in the county of this application.
- ☐ There are no quota on-premises licenses available in the governmental unit of this application.
- ☐ This application is in a city of over 190,000 and less than 300,000 people.
